URGENT NOTICE

All First Year students who were **provisionally admitted to the Second Year** while awaiting their **First Year University results**, and who have now been **declared unsuccessful in the University examination, including those who have applied for re-evaluation**, are hereby informed that they must complete their **RME verification for the First Semester (NEP 2020) on or before 15 September 2026**.

Students are **strictly advised not to wait for the outcome of the re-evaluation**. Failure to complete the RME verification within the stipulated time may result in the student **not being eligible to appear in the First Semester examinations scheduled for October–November 2026**, in the event that the re-evaluation result also remains unsuccessful.

All concerned students are therefore directed to **complete their RME verification immediately and positively today**.

This notice may be given Immediate Attention.
